LOCI

DESIGN BY UNION DESIGN

Crafted from locally grown red oak, Loci is a collection of communal and collaborative tables that blend sustainability and versatility. With a commitment to minimizing carbon footprint, Loci's wood is responsibly sourced within 200 miles of our factory, ensuring environmental consciousness from forest to furniture.

Available in 24" x 84" or 42" x 84" tables with three distinct leg options. Use as standalone tables or connect multiple together.

VALE

DESIGN BY LAYER

With sustainability at the forefront of the design process, the Vale collection features a PET felt shell made from recycled plastic bottles. The pressed felt shell showcases a rolled edge design element to achieve a fluid and elegantly contoured form.

Available as armchair, side chair, lounge chair with ottoman, counter stool, and barstool.

FINISHES

FRAME

Black, White, Silver, Quartz Grey,
Oxide Red, Sapphire Blue, Pale Green

PET FELT

Charcoal, Cool Grey, Stone,
Garnet, Midnight, Sage

JADE

DESIGN BY UNION DESIGN

Designed to be in harmony with the earth and your body, Jade is an ergonomic task chair made from sustainable materials, all wrapped up in a delightful package.

With a focus on the circular economy, Jade was created as the first task chair in the world to use recycled plastic felt for large components instead of injection molded plastic. Because less is more.

AVALON

DESIGN BY UNION DESIGN

Crafted with soft, sculpted forms set against a thin steel frame, Avalon's distinctive split design for the seat and back is visually light and engineered to minimize packaging size, reducing its carbon footprint. Both the chaise and lounge chair can be paired with the optional accessories – a swivel table and/or screen with a side table and coat hook – for privacy and additional table space.

Available in REPREEVE® recycled polyester 3D knit, or upholstery.

WILLOW

DESIGN BY UNION DESIGN

A pull-up table with a classic bent plywood design that will stand the test of time.

Deceptively simple, Willow seamlessly integrates subtle details to add functionality – an ergonomic foot rest, wheels for mobility, and an undersurface groove to easily pull the table closer.

Perfect for working on your laptop or tablet, Willow can be your worksurface when working at sofas, benches, and chairs.

FINISHES

LAMINATE

Dark Chestnut, Ash, White
